1961

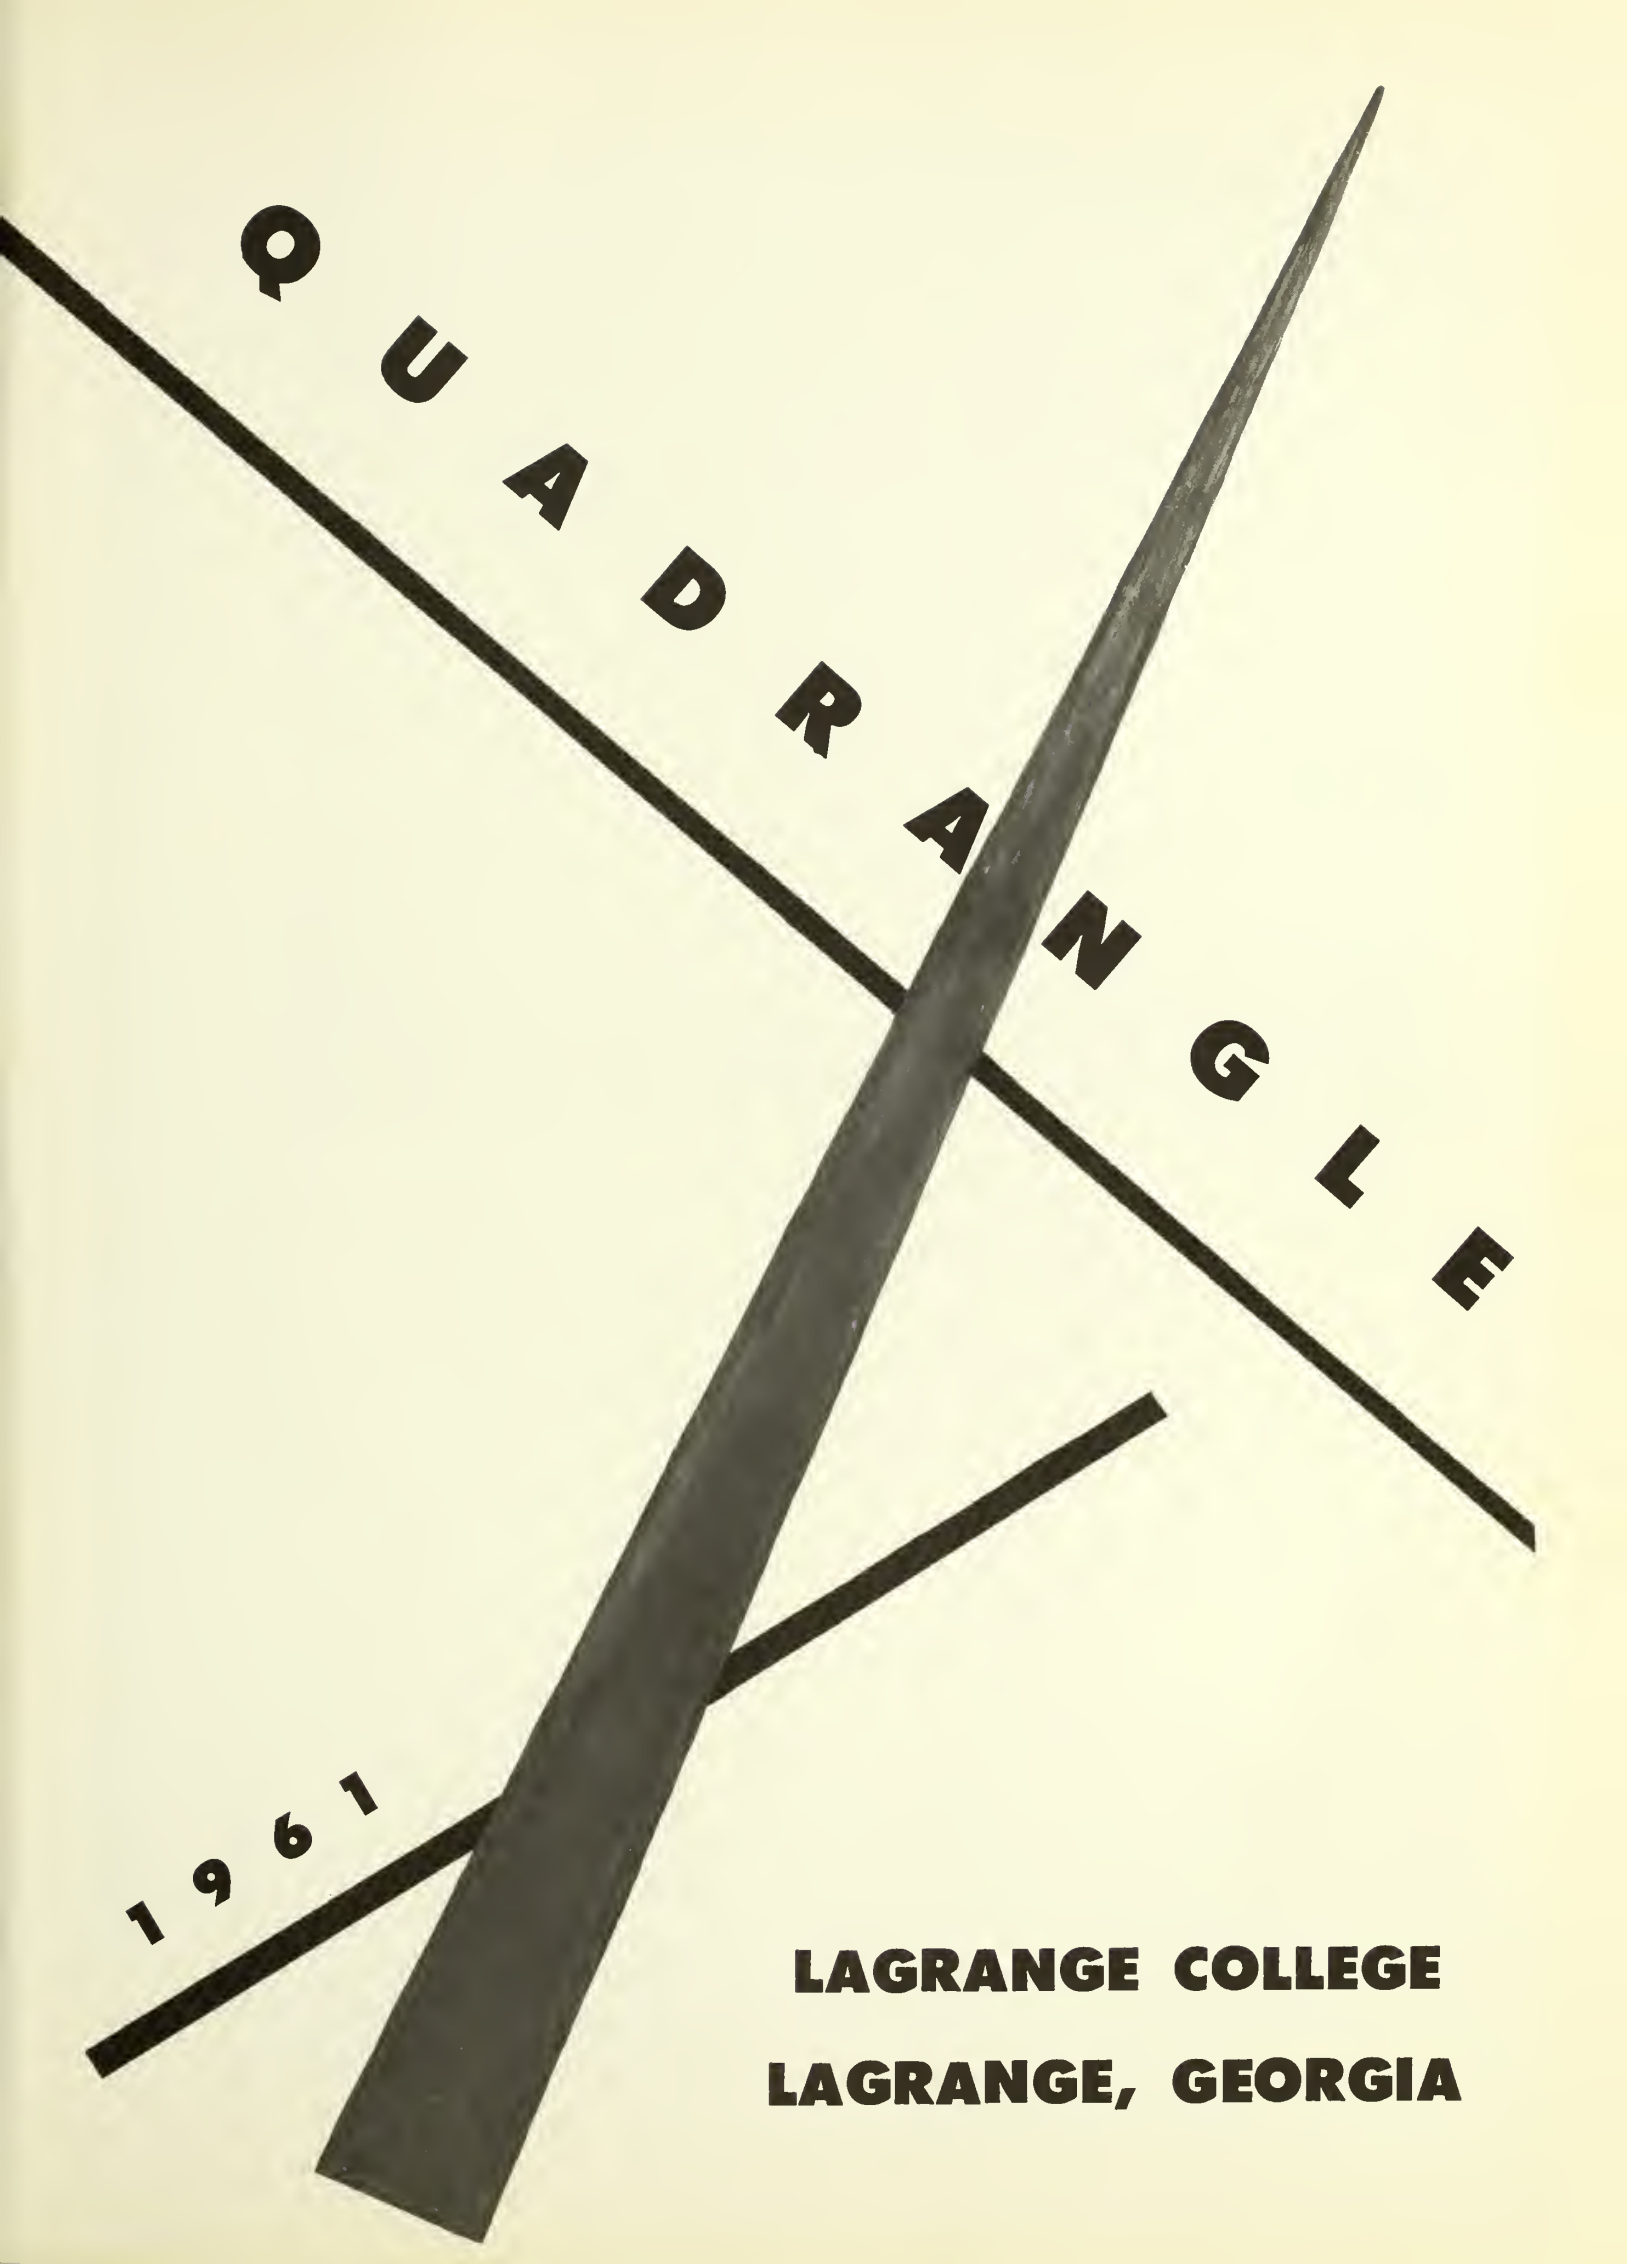

Digitized by the Internet Archive

<https://archive.org/details/quadrangle1961lagr>

An abstract graphic design featuring three thick, dark lines that intersect to form a large triangle. One line runs diagonally from the top-left towards the bottom-right. Another line runs diagonally from the top-right towards the bottom-left. The third line runs diagonally from the bottom-left towards the top-right, crossing the other two. The lines are solid black and have a slightly textured appearance.

### **In Memory of Dr. Jennie Lee Epps**

who was completely and unselfishly  
devoted to the profession of teaching

who imparted to her students a spark  
which kindled into a love of literature—  
a love that was so much a part of her  
that it sparkled in her eyes and rippled  
in her speech

who was as gentle as the delicate violets  
she lovingly tended

who had in her personality a wonderful  
blend of queenly dignity and a delight-  
ful sense of humor

who was at home among great men and  
great literature

who was a great lady and remains an  
inspiration

## In Memoriam

Professor CHRISTIAN F. HAMFF  
Professor of Languages, 1951-1961

His love for learning and his unwavering faith will live in the hearts of each student to whom he taught the art of languages and life.

## Dedication

In recognition of your interest in the  
development of all areas of student life,

And in appreciation for your many years  
of teaching and counseling,

We lovingly dedicate the 1961 Quadrangle

The purpose of this group is to coordinate the activities of these organizations by making rules and planning functions in a cooperative spirit. The council attempts to solve any problems which may arise within the sororities and fraternities.

The Panhellenic Council is responsible for details concerning the Homecoming and May Day dances. It brought Buddy Behr and his orchestra to the campus as a part of Homecoming festivities.

Alpha Psi Omega, for students outstanding in dramatic work, was the first national honorary fraternity to be established on campus. Membership is based upon certain qualifications set by the national organization. Pledges must go through a period of initiation, and then at a formal banquet the fraternity receives them into full membership.

Among distinguished guests visiting the campus this year was Miss Julie Haydon, actress from New York.

Three members of the Theta Gamma Cast of Alpha Psi Omega worked in Summer Stock this past summer: Larry Thomas at "Unto These Hills," Mary Ann Wages at "Barter Theatre," and Gail Woodruff at the "Pioneer Playhouse."

## Student Government Association

Every student at LaGrange College is a member of the Student Government Association, while the Student Government Council is elected by the votes of the entire student body.

Each year the Council arrives early to help in the orientation program for new students. This program is brought to a conclusion with a formal pledge service in which all new students are granted full membership in the association.

The purpose of the Student Government Association is to maintain the highest standards of conduct and scholarship, and to assume the direction of all matters concerning the college life not reserved to the jurisdiction of the administration and faculty. A spring retreat enables the Council to make new plans for the progress of the school.

The Student Christian Association is affiliated with the Y. W. C. A. and Y. M. C. A. and is represented at each state and national conference. Each student is invited to participate actively in the work of this organization by becoming a member of one of the five committees: recreation, worship, world-relatedness, social service, and publicity.

The committees either serve the campus directly or seek to educate the students on local, national, and international affairs. Activities range from supporting Darji, a small Polish boy suffering from tuberculosis, to contributing to World University Service, an organization to aid college students all over the world. Worship services are led by the Student Christian Association, and this group also seeks to inform the students of the significance of outstanding literary works through a Book-of-the-Quarter study.

The association is directed by a cabinet composed of the officers, chairmen of the committees, presidents of the denominational groups, and the faculty advisor.

Every girl student is a member of the Women's Athletic Association, which seeks to promote an interest in sports, physical development, and good sportsmanship. Under the direction of the Council, consisting of the officers and class and sorority representatives, this association has complete charge of making plans for Stunt Night, May Day, faculty-student volleyball games, and the intramural sports program.

The climax of the athletic year comes at the Women's Athletic Association banquet when awards, trophies, jackets, and letters are presented to those who have earned them.

The association is a member of the Georgia Athletic Federation of College Women, and this year was represented at the state convention by three members of the Council.

Published four times a year, the **Scroll** is the campus literary magazine. Its purpose is to encourage creative writing and to acknowledge creative achievements among students.

Several regular contributors to the **Scroll**, as well as some members of the staff, have had poems accepted by national anthologies of college poetry. Among those achieving this distinction are Emily Paxton, Janice Townley, Elaine Hopper, and Larry Thomas.

At the end of the year, a faculty committee judges all work published by the **Scroll** during the year. No more than four outstanding contributors are elected to the Scroll of Fame, the highest literary award. Janice Townley was selected for this honor from 1959-60 publications. The announcement of the Scroll of Fame members is made each year at Commencement.
